# What is funded?

The following guide contains eligibility, priority and contact details of organisations funding not-for-profit and charitable organisations in Scotland. It has been compiled for Inspiring Scotland's Thrive Outdoors programme and therefore focusses on potential funders of outdoor play and learning activities.

Funders have been selected through a web-based search. It is not a definitive list and there are likely some omissions. It is important to note that Funders have not been contacted directly so information is as up-to-date as current web information in August, 2021. It is recommended that the guide is used for information only and where possible contact is made directly with each organisation to ascertain current funding criteria.

Advertised funding criteria have been reviewed for the potential for organisations facilitating different types outdoor play and learning activity to seek funds. In line with the activities of current Thrive Outdoors, the types of outdoor play and learning activities have been divided into sessions, training, resources and spaces. The potential for funding has then been graded as per the table below.

## Potential funds for:

**S** – Outdoor play and learning sessions: including one-off events, regular play/learning groups and play ranger activity

**T** – Outdoor play and learning training: including training for volunteers and staff to facilitate outdoor play and learning activities and raising awareness.

**R** – Outdoor play and learning resources: including funds for purchase of equipment to use in outdoor play and learning

**Sp** – Outdoor play and learning spaces: including play parks and community leisure spaces

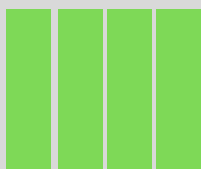

Outdoor Play and learning, and children and families or communities indicated as a priority.

Outdoor Play and Learning not specifically mentioned, but not excluded or; Other particular requirements to be met .

Some types of Outdoor Play and Learning activity excluded and; other major requirements to be met.

# Open To All Young People

S T R Sp

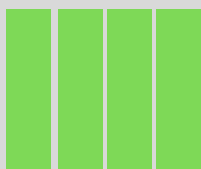

## Albert Hunt Trust (The)

Funding for groups working with children/young people, elderly/old people, and people with disabilities.

Grant available: up to 420 trees

Tel: 0330 333 3300 Email: [enquiries@woodlandtrust.org.uk](mailto:enquiries@woodlandtrust.org.uk)

# General Advice

**Be aware of deadlines** - Last minute submissions do gain funding but it is more beneficial to ensure you have time to check and amend your application.

**Avoid uncertainty** - Read the criteria carefully and ensure you understand the application process. If you have questions it can be beneficial to contact the funder.

**Be consistent** - Make sure that your budget reflects everything within your project proposal and that each section consistently describes activities and outputs.

**Define Stakeholders** - Ensure you understand who your stakeholders and beneficiaries are and how they are involved. Consider factors such as; the shared vision and project, evidencing stakeholders' active involvement, and how you enhance their experience.

**Be realistic** - When applying ensure you are realistic about proposed activities, timescale and budget. Applying to appropriate funders is also relevant. Small pots of local funding for specific purposes is easier to apply for than a big award that is high commitment.
