

## Scotland's National Outdoor Play and Learning Position Statement Relaunch Campaign Toolkit

Please feel free to use the following text to go alongside the social media graphic.

### **Social media copy**

#### **Suggested social media copy- Facebook**

Playing outdoors is fundamental for all children.

It is our shared responsibility to support and enable all of Scotland's children and young people to access our diverse greenspaces and natural landscapes and to empower them to enjoy these spaces for the purposes of playing and learning. We commit to working together to meet these responsibilities.

If you haven't already done so sign up to the outdoor coalition here: <https://bit.ly/3yIXD4W>
